# MARK JASTIN I. VALMEO

markjastinvalmeo02@gmail.com | +63 970 339 6767 | markjastinvalmeo.github.io/portfolio-website

## EXPERIENCE

**Baliuag University | Admin Aide** **June 2025 – November 2025**

- **Minimized technical downtime** by proactively troubleshooting and resolving hardware malfunctions before they impacted workflow.
- **Optimized system performance** through diligent software configuration management and the implementation of timely updates.

**National Irrigation and Administration III | Data Entry (Internship)** **February 2024 – May 2024**

- **Enhanced project efficiency** by maintaining organized filing systems and ensuring high-accuracy data encoding.
- **Contributed to technical deliverables** by assisting with GIS mapping and architectural/technical drafting tasks.

## PROJECT

**ALERT: Agriculturist Licensure Examination Review Tool** **December 2023**

- Designed and deployed an integrated board exam review system, streamlining the study process by consolidating interactive learning modules and secure user profiles into a single, high-performance application.

## EDUCATION

**Bachelor of Science in Information Technology**

Bulacan Agricultural State College | 2024

## CERTIFICATION

**Excel Mastery: Beyond the Basics**

- Certified expertise in advanced data analysis, complex formulas, and workflow automation to increase reporting accuracy and speed.

## SKILLS

**Soft Skills:**

- Critical Thinking, Continuous Learning, Problem Solving & Quality Assurance.

**Technical Skills:**

- **Software & Frameworks**: HTML5, CSS3, JavaScript, Bootstrap, Tailwind, PHP, Java, MySQL, MS SQL, Firebase (Real-time DB & Auth).
- **Technical Operations**: GIS Mapping & Drafting, System Troubleshooting, Hardware Configuration.
- **Data Management**: Database Administration, Data Encoding, Advanced Excel (Spreadsheets/Reporting).
